LOPMENT (SHRI DALBIR SINGH): The information is being collected and will be laid on the Table of the Sabha.

Population to be provided drinking water

2169. SHRI MAHENDRA PRASAD:
DR. RATNAKAR PANDEY:
SHRI MURLIDHAR CHANDRAKANT BHANDARE:

Will the Minister of AGRICULTURE be pleased to refer to the reply to Unstarred Question 76 given in the Rajya Sabha on the 6th November, 1987 and state how much of population in each State/Union Territory is still to be provided drinking water facility and how much of this population would be covered by such facilities with the implementation of the schemes to be financed with the funds allocated by Government?

THE MINISTER OF STATE IN THE DEPARTMENT OF RURAL DEVELOPMENT IN THE MINISTRY OF AGRICULTURE (SHRI RAMANAND YADAV): A statement showing population remaining to be provided with safe drinking water facilities as per Government norms, is annexed. (See below) The target is to cover the entire balance rural population with safe drinking water supply by the end of the Seventh Plan period i.e. March 1990. This will be achieved through implementation of schemes under the Centrally Sponsored Accelerated Rural Water Supply Programme (ARWSP) and state sector minimum needs programme (MNP).

Rural population to be provided safe drinking water.* (Provisional position as on 31-10-87) on the basis on 1981 census).
